## Notes from the Vice Regent, Valerie Bound

Hello Daughters of Narcissa Whitman! I'm so excited to serve as your Vice Regent. Together with Regent Jill Scott, we have an exciting year planned.

The pandemic has allowed us to be creative in looking for speakers. Travel is no longer the obstacle it once was. With zoom, we can have speakers from all over the country. So far, we have in-person speakers planned, but the program is not yet finalized. While we love having the ability to see everyone in person, we also realize some of you may not yet feel comfortable attending meetings. It's our plan to allow members to join via zoom all year if that's their preference.

As I said, the program is not yet finalized. Because we want to bring forward topics that are interesting and relevant to you, please reach out with any ideas. Our intention is to get all speakers in place by the end of August.

Renewal notices are being sent out this month. Please help us by being prompt and sending in your payment by August 31. We very much appreciate your membership in helping make Narcissa Whitman the successful chapter it is.

The pandemic has also made us realize the importance of socialization, relationships, and friendships. So Narcissa Whitman On the Go is continuing! Narcissa Whitman On the Go is a way for members to get together, have some fun, and get to know one another better. Since the best socializing usually happens over food and drink, we're planning to meet at restaurants for the most part. This month, we'll be celebrating Regent Jill Scott's birthday at the White House Café. Next month, we're headed to Wilridge Winery where they have pie, food trucks, and of course, wine. It's supposed to be a beautiful place. We won't limit ourselves to dining establishments, though. We're thinking of a day trip to Walla Walla. Again, please let me know if you have suggestions.

Your Board met for the first time recently, and have plans to partner with Roosevelt Elementary for a program on Constitution Week. Christmas and springtime plans are also underway. Narcissa Whitman does so much good work in this community, and we want that to continue. Volunteer opportunities are always available. Regent Jill Scott is your best contact for those. Don't forget – the best way to get your ideas implemented is by serving on a committee. We're always happy to have more committee members. Think about ways we could show our patriotism and love of country.

Once again, WELCOME to the start of another year.

Yours in service

Valerie Bound. Vice Regent

P.S. My cell phone is 509-480-9748, call or text me. I'd love to hear from you.
